10 December 1968

25X1

MEMORANDUM FOR:  Technical Services Division

SUBJECT : DD/S&T Career Development Course #3

1. The process of working up detailed plans for each component's presentations to the 3rd DD/S&T Career Development Course is now under way, and your assistance in formulating the TSD program will be greatly appreciated. I am attaching for your information a list of the class members and a copy of the present schedule for the Course. The dates assigned for the TSD presentations, 24-28 March, are firm, and we hope these will be satisfactory for you.

2. With somewhat less time available for most component's presentations in this Course than in the CDC #2, we must sharpen the content as much as possible. You'll note that TSD is scheduled for just five days, versus eight last time. A copy of the summary comments of the students in the last Course also is attached for your guidance.

3. We are very pleased that  TSD is to participate in the Course.

25X

4. Thank you for your cooperation.

25X

  
Director  
Career Development Course #3

**Attachments:**

1. List of Students
2. Schedule for CDC #3
3. Summary of Student Comments on TSD Presentations for CDC #2
